Fig.5.

HOW TO TEST K TEST Put 1 drop of the drink onto the centre of the test pad. **Test here** Red/Orange colour change May have white centre 1 drop CAUTION HOW TO TEST O TEST Using the dropper, put 3 drops onto the test area as shown below (for best results leave 5 seconds between drops). After 2 minutes read against results shown below. 2 lines - OK drops Test here line - CAUTION WHAT THE DRINK DETECTIVE(tm) DOES-AND ITS LIMITATIONS The Drink Detective(Im) is designed to test for the presence of three substances: benzodiazapines (which include Rohypnol and Vallum), illicit GH8 (gammahydroxybutyrata) and ketamine. The Drink Delective(tm) does not test for any other drugs or substances. It is designed to text for minimal standard dosages of these substances and quantilles below these levels may not be detected. Due to the sensitivity of the test, it is possible that the presence of certain substances could produce a false positive. In particular, orange and tomato juices and certain milk products might produce a false positive for ketamine. Milk products and sods waters containing bicarbonate of soda might produce a false positive for GHB. Test your favourite drink and be signed to different reactions. Using this test does not remove your responsibility to drink safely. Follow instructions exactly. Do not after the test. Do not place in a drink or eat the test. Keep the test away from children, animals, moisture and chamicals, No drink which tests positively should be consumed. You must also be aware that The Orink Detective(tm) only tests for benzodiazepines. Micil GHB and ketamine. A drink, even one that has produced a negative test result, may still be unsafe as it may contain dangerous substances other than those tested for. Please take care. If you are in any doubt, do not drink. The manufacturer/seller does not make any representation or warranty in respect of this product save as specifically set out above. The manufacturer/setter cannot be held responsible for the presence of any drug other than as specified above. The manufacturer/ seller excludes all liability for consequential and all other loss to the extent permitted by law. The manufacturer's/seller's liability for a defective product is limited to replacement or refund of the price paid.
